

# Andrew Ware

andyjwaregmail.com

## Aspirations

Creating solutions and content enabling people to excute on their dreams and ambitions, through direct 1on1 collaboration, being part of team, or creating tutorial videos to help overcome any knowledge gaps stopping their ability to achieve.

07590-550-886

Luton, UK

## Work Experience

01/2017 - Present

### Co-Founder

Porter & Ware

#### Accomplishments

Creating compelling work beyond the corporate workspace and moving them forward to a new exciting type of content, creating work that doesn't compromise message or presentation. Showing clients that they can have creative engaging content.

03/2013 - Present

### Freelance 3D Artist

Andrewware.com

#### Accomplishments

Developing a flexibility in technique, as well as deployment of 3D content through online content, and large scale print media. Expanding into 3D Print production and design for prototyping.

06/2012 - 02/2013

### Interactive Developer

Clearhead Media

#### Accomplishments

Creating the Augmented reality wing of the business, providing additional value to a clients advertising/information campaign via real-time 3D AR experiences.

## Education
