Education

Columbus College of Art & Design, Columbus, OH —

BFA Illustration

Expected Graduation May 2020

Professional Experience

Freelance Illustrator

Effigy Card Game

Concepted and painted five and counting illustrations to be featured on the cards of a tabletop game. Illustrated the back of all the cards.

2017 - Present

Freelance Concept Artist

Madman's Journal

Visually developed creature designs for a horror VR videogame. Worked with the client to produce concept sketch sheets, which were then narrowed down to a few designs. Then produced finished concept illustrations to assist the 3D artist in creating in-game assets.

May 2017

CCAD Art Fair

Sold work in four art fairs to date. Displayed various types of products such as prints of digital illustrations, original paintings, stickers, greeting cards, and keychains.

December 2016 -Present

GDEX 2017

Held a table at the gaming convention and sold various types of products such as prints of digital illustrations, stickers, and keychains.

October 2017
