

# MATEO COSTA

## 3D MODELER & TEXTURE ARTIST

[mateocosta.art](http://mateocosta.art) | [mateocosta.mcm@gmail.com](mailto:mateocosta.mcm@gmail.com) | +0034 649 85 71 30

### Profile

3D Artist based in Tenerife (Spain) working in both high and low-resolution pipelines.

### Experience

#### **Drakhar Studio**

*3D Artist | October 2018 - Present*  
Working on an unannounced project.

#### **Freelance Artist**

*3D Artist | October 2017 – September 2018*  
Worked as a freelancer doing commissions on a variety of projects.

#### **Institut Cartogràfic i Geològic de Catalunya**

*3D Intern | April 2017 - October 2017*  
Created a workflow for the detection and correction of artefacts in 3D photogrammetry scanned cities. Detected and corrected some projects and made tutorials of the process for the new incomers.

#### **Strange Minds**

*Cofounder and Postproduction responsible | June 2012 - May 2015*  
While studying at film school I created an audio-visual studio with a partner. We made videos and photo sessions for companies and universities. I oversaw the postproduction pipeline and worked as video and sound designer/editor, photographer and camera operator.

### Education

**Master's Degree | Animation, Digital Art and Videogames**  
*Polytechnic University of Catalonia | 2016 - 2017 | Graduated with high honours.*

**Bachelor's Degree | Video Editing and Postproduction**  
*Bande a Part Barcelona Film School | 2011 - 2014*

### Software proficiency

Zbrush, Maya, Substance Painter, Marmoset Toolbag, Photoshop, 3ds Max, Unity.

I also have knowledge in video and audio editing software such as Premiere, After Effects, Ableton Live...

### Languages

Spanish – Native.

Catalan – Native.
