Peter Kolus

Senior 3D Artist at INDG

Amsterdam Area, Netherlands

Summary

Senior CG Artist / 3D Generalist with 10 years in the business.

Gained professional experience from working for companies well know in advertising and cinematic world, ie. Evermotion, Realtimeuk, Platige Image, Ars Thanea (3D team leader). Primarily focused on realistic and stylized rendering for print/illustrations/commercials.

Always hungry for new challenges and new projects.

Listed on '30 brilliant 3D artist to follow on Behance' by creativeblog in 2013.

Co-created projects won prizes:

- Promax BDA Awards 2012 in Los Angeles
- Golden Drum Award at 20th Golden Drum International Advertising Festival in Portoroz/Slovenia
- TOP 10 of Adweek's Talent List 2013
- 200 Best Digital Artist Worldwide by Lurzer's Archive

Specialties:

- High quality realistic and stylized rendering for print/illustrations/commercials
- Strong sense of colours and lighting
- Visual experiments linking real photography and 3d
- Junior artists mentoring/coaching/supervising
- Project management from artistic and production stage
