EXPERIENCES

Disney Parks, Live and Entertainment, Orland FL

- Art and Design Intern (*January- April 2020*)

- Designed props and background for a character greeting experience inside the parks. Each form and color reflects the features of the character.
- Designed graphics and patterns on bedding props for the renovating stage show on a cruise ship. The designs intimate Disney's IPs
- Sketched and painted illustrations used for an advertisement for a public event.
- Designed weekly posters with quotes for internal use.
- Organized and built files for internal use to make workflow smoothly.

Walt Disney Imagineering, Glendale CA

-Creative Designer Intern (*May-August 2018*)

- Designed environments and props for a proposed c-ticket attraction and a children hospital project, reinventing public places with Disney IP for child patients.
- Made a 3d model for mock-up space.
- Organized and built powerpoint for internal presentations to pitch ideas fo theme park attractions and events.
- Participated in several brainstorming sessions for upcoming theme park and attraction projects.
- Sketched variations of full isometric view of inside of attractions with different IPs.
- Designed a logo for an annual internal company event.

AWARD

Walt Disney Imagineering's Imaginations Design Competition 2018, Third Place.

Our work was selected for third place out of more than 270 teams.

- Worked as team leader, managed three people.
- Managing the team's schedule, tasks, and creative direction.
- Developed story for themed resort with other team members.
- Designed and sketched ride vehicle, ride system, props, and architecture.
