EFFECTO STUDIOS

BOGOTÁ - COLOMBIA

Lead Concept Artist & Art Director

OCT 2017 - PRESENT

- In charge of delivering on Concept Art, VFX, UX/UI Design and Game Design, Production and Team Leader.
- Lead a team of 10 to create short animated pieces per week for two years overseeing the pipeline from concept to social network strategy.
- Lead the creation of assets (creature, prop and character) from concept art to full implementation as out source for AAA studios worldwide.

FUNDACION CA

BOGOTÁ - COLOMBIA

Coordinator & Creative Assistant

OCT 2017 - JAN 2018

- I coordinated and organized services for the entertainment industry (movies). From matte painting to logistics, with latin-american teams. Fundación CA is a socially driven foundation to teach youths the necessary skills to participate in the movie industry. Studio C is a brother organization founded by Carlos E. Argüello.

BLANK ATELIER

BOGOTÁ - COLOMBIA

Digital Artist and Teacher

OCT 2015 - JUL 2018

- I worked assisting with logistic solutions, graphic design and workshop creation. Blank Atelier is a collective of digital and traditional artists that offers workshops from national and international entertainment industry star talents.

BAZOOKA EDITORIAL

BOGOTÁ - COLOMBIA

Founder and Digital Artist

OCT 2011 - PRESENT

- Created a collaborative editorial group with my partner to unify our freelance work environment starting during our studies in university.
- Worked with the Colombian government, to create the poster of the largest free rock concert in Latin America, Rock al Parque in 2013. We were featured in local newspapers and city advertisement for the event.
- Designed brand identity for various companies. Published illustrated magazines and fanzines in coloboration with local artists and illustrators.
