E X P E R I E N C E

LEAD ARTIST

Nix Hydra · Los Angeles, CA · 2018 – present

- Create character, prop, and environment concepts for pre-production on R&D projects.
- Finalize production art for a 2D game and build scenes in Unity.
- Manage contract artists and built a pipeline to produce final assets.
- Collaborate directly with engineers and the game designer to solve both design and production problems.
- Mock UI concepts alongside UX team.

CONCEPT ARTIST

Pocket Gems · San Francisco, CA · 2016 – 2018

- Advanced experience in creating concept catalogs of clothing, hair and other features for customizable avatars.
- Work with art directors, the narrative team, and clients to create a vision for IP projects featured in Episode.
- Partner with external artists and provide guides to produce final assets.

SENIOR ARTIST

Gaia Interactive · San Jose, CA · 2014 – 2016

- Manage and delegate tasks between 12 contract artists. Collaborate and balance contractor scheduling with other team leads.
- Assist new artists in creating assets to fit the house style.
- Lead and manage Project Custom. Act as a guide and art director for users in helping them create their own items.
- Produce high-quality pixel art based on concepts that are available for purchase.
- Illustrate promotional art.
