## EXPERIENCE

### **AuthorDigital, Renton** — *Concept artist*

April 2021 - PRESENT

- Defined visual style of the game's environment and designed maps and environments working with the game design team.
- UI icons and game illustrations.

### **Adept Games, Renton** — *Associate concept artist*

August 2020 - March 2021

- Worked with the art director and art team to develop the look and feel for the world with large amounts of research and reference.
- Helped the team with paintovers on 3D blockouts for environments, architecture, and creatures.
- Explored the culture and worlds of the project by working directly with narrative designers to create a cohesive, connected experience.

### **Adept Games, Renton** — *Concept artist intern*

May 2020 - August 2020

### **Kingslayer Game Design,** — *Freelance Concept Artist*

MARCH 2019 - DECEMBER 2019

- Illustrated characters and environments for unannounced I.P.

### **Hominin Mind,** — *Freelance Concept Artist*

DECEMBER 2018 - OCTOBER 2019

- Explored initial storyboard and narrative with the director on an unannounced film.
- Worked on brainstorming vehicles and character designs.

## EDUCATION

### **Georgetown Atelier, Seattle** — *Imaginative Realism*

SEPTEMBER 2016 - JUNE 2019

Studied traditional drawing and oil painting while mentoring under Tenaya Sims.

### **DigiPen Institute of Technology, Redmond** — *Wanic high school program*

SEPTEMBER 2015- JUNE 2016

Created a short film and games with a team of other students.
